* src/ime.cpp: shift+enter also commit english; to support lumaqq;
to make it just like scim-pinyin

2005-05-20 22:41 baohaojun* AUTHORS, README, src/ime.h, src/punc.cpp,
src/scim_fcitx_imeengine.cpp, src/tools.cpp, src/tools.h,
src/xim.cpp, src/xim.h: update some template files, fix the silly
kp_enter key bug. and removed some has-become-meaning-less code
fragment.
