

skim 1.3.3 (1.4.0 rc) released for testing

Author: Cougar Liu<liucougar@scim-im.org>

This release fixed all the build system issues in skim 1.3.2. Everyone using skim 1.3.x is highly recommended to upgrade, especially those with skim 1.3.2.

If no further bugs are reported, this will become the stable 1.4.0 release.
