

scim-qtimm 0.9.3 is available

Author: Cougar Liu<liucougar@scim-im.org>

The main aim of this release is to provide a scim 1.4.0 compatible solution to Qt, plus two bug fixes.

ChangeLog since 0.9.2

- fixed: forward keys issues
• crash in precompiled apps with incompatible gcc version

Please find it in the [skim download](#) page.
